:

License No: MA 20817

:

FINAL ORDER OF  
DISCIPLINE

TO PRACTICE MEDICINE AND SURGERY :  
IN THE STATE OF NEW JERSEY

This matter was opened to the New Jersey State Board of Medical Examiners upon receipt of information which the Board has reviewed and on which the following findings of fact and conclusions of law are made;

FINDINGS OF FACT

1. Respondent, Robert Gabriele, M.D., License No. MA 20817, is a physician licensed in the State of New Jersey. As a consequence of respondent's failure to submit his biennial renewal in 1983, respondent's license to practice medicine and surgery in the State of New Jersey was automatically suspended pursuant to N.J.S.A. 45:9-6.1, which allows for reinstatement upon payment of certain fees.

CERTIFIED TRUE COPY

5. As a result of the foregoing, respondent's license to practice medicine in the State of Ohio was permanently revoked on December 8, 1999, said revocation stayed, and respondent's license was suspended for an indefinite period of time, but not less than nine months. Upon reinstatement of respondent's license, respondent is to be subject to several probationary terms, including submission of quarterly reports documenting evidence of compliance with the plan of recommended drug and /or alcohol treatment.

#### CONCLUSIONS OF LAW

1. The above Ohio action and respondent's guilty plea provide grounds to take disciplinary action against respondent's license to practice medicine and surgery in New Jersey pursuant to N.J.S.A. 45:1-21(f) in that respondent has pleaded guilty, which is tantamount to a conviction, to a crime relating adversely to the practice of medicine.

2. The above Ohio action provides grounds to take disciplinary action against respondent's license to practice medicine and surgery in New Jersey pursuant to N.J.S.A. 45:1-21(g) because respondent has had license suspended in another state for reasons which would give rise to discipline in New Jersey.

Based on the foregoing findings and conclusions, a Provisional Order of Discipline revoking respondent's license to practice medicine and surgery in the State of New Jersey, and staying such

revocation, and suspending respondent's license until the Ohio

the Board. The..Provisional Order was subject to finalization by the Board at 5:00 p.m. on the 30<sup>th</sup> business day following the entry unless respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal setting forth in

kn

or

deems service is to have been effected. Accordingly, it is determined that further proceedings were not necessary and that the provisional order should be made final.

ACCORDINGLY, IT IS on this 30th day of Dec, 2002,

ORDERED that:

Respondent's license is hereby revoked, said revocation is stayed, and respondent's license shall be suspended until such time as respondent can demonstrate that his Ohio license has been

fully restored and that the probationary period has been satisfactorily terminated.

HAS BEEN ACCEPTED**

**APPROVED BY THE BOARD ON MAY 10,2000**

All **licensees** who are the **subject of a disciplinary order of the Board** are required to provide the information **required on** the Addendum to these Directives. The information **provided** will be maintained separately and will not be **part of the public** document filed with the Board. Failure to **provide the** information **required** may result in further **disciplinary action for failing** to cooperate with the board, **as required by N.J.A.C. 13:45C-1 et seq.** Paragraphs 1 through 4 below shall **apply** when **a license is suspended or revoked or permanently surrendered, with or without prejudice. Paragraph 5 applies to licensees who** are the subject of **an order which, while** permitting continued practice, contains a probation or monitoring requirement.

**1. Document Return and Agency Notification**

The licensee shall promptly forward to the Board office at Post Office Box 183, 140 East Front Street, 2nd floor, Trenton, New Jersey 08625-0183, the original license, current biennial registration and, if applicable, the original CDS registration. In addition, if the licensee holds a Drug Enforcement Agency (DEA) registration, he or she **shall** promptly **advise the DEA of** the licensure action. (With respect to suspensions of a finite term, at **the conclusion of** the term, the licensee may contact the Board **office** for the return of the documents previously surrendered to the Board. In addition, at the conclusion of the **term**, the licensee should contact the DEA to advise of the resumption of practice **and** to ascertain the impact of that change upon his/her DEA registration.)

**2. Practice Cessation**

The **licensee** shall cease **and** desist from engaging in the practice of medicine in this State. This prohibition not only **bars** a licensee from rendering professional **services, but also from** providing **an** opinion as to professional practice or **its** application, or representing him/herself as being eligible to practice. (Although the licensee need not affirmatively advise patients or others of the revocation, suspension or surrender, the licensee must truthfully disclose his/her licensure status in response to inquiry.) The disciplined licensee **is** also prohibited from occupying, sharing or using office space in which another licensee provides health care services. The disciplined licensee may contract for, accept **payment** from another licensee for or rent at fair market value office premises and/or equipment. In **no** **case** may the disciplined licensee authorize, allow or condone the use of his/her **provider** number by **any** health care practice or **any** other licensee or health **care** provider. (In situations where the licensee has **been** suspended for less than one year, the licensee may accept payment from another professional who is using his/her office during the period that the licensee is **suspended**, for the payment of salaries for office staff employed at the time of the Board action.)

A licensee whose license has been revoked, suspended for **one (1) year** or more or **permanently** surrendered **must remove** signs and **take** affirmative action to stop **advertisements** by which his/her **eligibility** to practice is represented. The **licensee** must also **take** steps to remove **his/her** name from **professional listings, telephone directories, professional stationery, or billings**. If the **licensee's** name is utilized in a group practice title, it shall be deleted. Prescription pads bearing the **licensee's** name shall be destroyed. A **destruction report** form obtained from the Office of Drug Control (973-504-6558) must be filed. If no other licensee is providing services at the location, all medications must be removed and returned to the manufacturer, if possible, destroyed or safeguarded. (In situations where a license has been suspended for less than one year, prescription pads and medications need not be destroyed but must be secured in a locked place for safekeeping.)

### 3. **Practice Income Prohibitions/Divestiture of Equity Interest in Professional Service Corporations and Limited Liability Companies**

A licensee shall not charge, receive or **share in** any fee for professional services rendered by him/herself or others while barred from engaging in the professional practice. The **licensee** may be compensated for the reasonable value of services lawfully rendered and disbursements incurred on a patient's behalf prior to the effective date of the Board action.

A licensee who is a shareholder in a professional service corporation organized to engage in the professional practice, whose **license** is revoked, **surrendered** or suspended for a term of **one (1) year or more** shall be deemed to be disqualified from the practice within the meaning of the Professional Service Corporation Act. (N.J.S.A. 14A:17-11). A disqualified licensee shall divest him/herself of all financial interest in the professional service corporation pursuant to N.J.S.A. 14A:17-13(c). A **licensee who is a** member of a limited liability company organized pursuant to N.J.S.A. 42:1-44, shall divest him/herself of all financial interest. Such divestiture shall occur within 90 days following the entry of the Order rendering the licensee disqualified to **participate** in the applicable form of ownership. Upon divestiture, a licensee shall forward to the Board a copy of documentation forwarded to the Secretary of State, Commercial Reporting Division, demonstrating that the interest has been terminated. If the licensee is the sole shareholder in a professional service corporation, the corporation must be dissolved within 90 days of the licensee's disqualification.

### 4. **Medical Records**

If, as a result of the Board's action, a practice is closed or transferred to another location, the **licensee shall** ensure that during the three (3) month period following the effective date of the disciplinary order, a **message will** be delivered to patients calling the former **office premises**, advising where records may be obtained. The message should inform patients of the names and telephone numbers of the licensee (or **his/her** attorney) assuming custody of the records. The same information shall **also** be disseminated by means of a notice to be published at least **once** per month for three (3) months in a **newspaper of**

general circulation in the geographic vicinity in which the practice was conducted. At the end of the three month period, the licensee shall file with the Board the name and telephone number of the contact person who will have access to medical records of former patients. Any change in that individual or his/her telephone number shall be promptly reported to the Board. When a patient or his/her representative requests a copy of his/her medical record or asks that record be forwarded to another health care provider, the licensee shall promptly provide the record without charge to the patient.

## 5. Probation/Monitoring Conditions

With respect to any licensee who is the subject of any Order imposing a probation or monitoring requirement or a stay of an active suspension, in whole or in part, which is conditioned upon compliance with a probation or monitoring requirement, the licensee shall fully cooperate with the Board and its designated representatives, including the Enforcement Bureau of the Division of Consumer Affairs, in ongoing monitoring of the licensee's status and practice. Such monitoring shall be at the expense of the disciplined practitioner.

(a) Monitoring of practice conditions may include, but is not limited to, inspection of the professional premises and equipment, and inspection and copying of patient records (confidentiality of patient identity shall be protected by the Board) to verify compliance with the Board Order and accepted standards of practice.
